SUMMARY

I am a dedicated high school student eager to delve deeper into the realm of Electrical Engineering. I am enthusiastic about utilizing Electrical Engineering to better society, contributing to breakthroughs in crossroads between Engineering and International Relations sectors.

BACKGROUND EXPERIENCE

AUGUST 2023 – PRESENT

Monta Vista Chinese Club, President

- In charge of managing the whole officer team, creating social media posts as well as directing bi-weekly meetings
- Increased member attendance by triple, increasing awareness of different aspects in Chinese culture

AUGUST 2023 – PRESENT

Monta Vista Model United Nations, Vice President

- In charge of managing internal affairs, as well as directing certain logistics and handling team affairs
- Along with the team, contributed to a doubling in both club attendance as well as conference attendance
- After starting, saw an increase in conference awards and member retention from previous years.

JUNE 2024 – PRESENT

Steel City Codes, San Francisco Bay Area Regional Public Relations Head

- Overseeing the SF Bay Area region, working with a management team in order to not only prioritize current class quality, but also expand and provide more classes
- Worked on social media posts, targeting both volunteers and students. Contributed to tripling the amount of engagement from the previous season, as well as coordinating volunteer logistics
